DETAILED ACTION

Status of Claims

1. This action is responsive to amendment filed on March 25, 2009, where Applicant amended claims 1,8,13,18,21, and cancelled claims 2,3,12,16,17. Claims 1,4-11,13-15,18-21 remain pending.

Response to Arguments

2. Previous objections are withdrawn.
3. Applicant's arguments, filed 3/25/09, with respect to the rejected claims have been fully considered and are persuasive. Therefore the rejection over Ju (Pat No 67744741) has been withdrawn.
4. A new 101 rejection follows below.

Claim Rejections - 35 USC § 101

5. Claims 1,4-11 are rejected under 35 U.S.C. 101 as not falling within one of the four statutory categories of invention. While the claims recite a series of steps or acts to be performed, a statutory "process" under 35 U.S.C. 101 must (1) be tied to particular machine, or (2) transform underlying subject matter (such as an article or material) to a different state or thing. See page 10 of In Re Bilski 88 USPQ2d 1385. The instant method claims are neither positively tied to a particular machine or hardware element that accomplishes the claimed method steps, nor do the claims perform transformation of underlying subject matter into a different state or thing. This therefore presents the claim in a manner that is broad enough where

Art Unit: 2457

the claim could be completely performed mentally, verbally or without a machine or without any apparent transformation of underlying subject matter. Since neither of the above mentioned requirements are met, the method claims are not a patent eligible process under 35 USC 101 and are deemed as non-statutory subject matter. **(MPEP Section 2106.IV.B and 2106.IV.C)**

Allowable Subject Matter

6. Claims 13-15,18-21 are allowed.

7. For reasons for allowance see pages 14-15 of Applicants remarks dated 3/25/2009.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
